Yeah, well I want to shift on to be a little quiet and modest between now and Friday. Yes, O'Baloney seems to have run up the white flag it would seem, at least for the time being. I think the SABEW blog seems to have brought him to reality. That is what was picked up by Nocera, by the way. This is totally my doing! Yuk yuk yuk.

The Mullaney thing really touches a raw nerve, you know.

Yeah, I remember BVF and Quillen. They did pay him off.
 Incidentally, don't tell nobody! -- but was preoccupied today. Interview with Joe Nocera of the Times for his Saturday column. Seems he is focussing on the naked-Mullaney situation. Mullaney tells me Nocera is sympathetic. We shall see.....
 Mullaney obviously is extremely nervous but me, I am fairly pleased I must say. I was... oh... shall we say unfavorable toward our Mr. O'Baloney.
 The above is confidential!
